G File No. 157 of 1939.

Serial No.

Subj. The Hassan Distt Muslim Conference have resolved among other things that Coffee planters should be afforded financial help on the basis of long term loans with a view to relieve their distress due to the following circumstances:

1. depression of Coffee trade &
2. loss of Coffee Crop on account of the heavy & unexpected fall of hail stone on recent blossoms.

The file relating to Coffee Banks has been referred Upto the Registrar Co for favour of obtaining the views of the Apex Bank as to whether they can arrange to afford financial assistance to small Coffee planters & if so on what condition The Director Ind has also been requested to report whether the Mysore Bank would agree to help the planters & if so on what terms.

It is for orders whether any further action on this resolution is now necessary. Draft however forwarding copy of the Resolution to the Registrar Co for remarks if any is put up for consideration.

Ten 22/1 The resolution apparently wants Govt: to give long term loans to the indebted planters. This is, perhaps, not feasible

Sir,

With reference to your letter No.D.8088-89/C.S.157-29-4 dated 31st January 1931 forwarding for remarks a copy of the resolution passed at the Hassan District Muslim Conference held in December 1930, I have the honour to state that for the grant of long term loans for the redemption of prior debts, land-mortgage societies have been started in the Taluks of Manjarabad and Koppa. The existing co-operative societies in parts of the Hassan and Kadur Districts have also been granting long term loans up to a maximum period of ten years to coffee planters who are their members. For financing cardamom planters, two special co-operative societies have been started at Achanahalli and Mudigere which have been liberally financed by the Apex Bank. The question of giving them larger help depends upon their good management so as to enqure greater confidence in the minds of the authorities of the Apex Bank.

2. It may not be out of place to mention here that the question of having a separate Bank at Chickmagalur for financing the small coffee planters has already been urged before Government.

I have the honor to be,
Sir,.
